Subject: crime commission board

Hey just a quick thing – I was in crime commission exec committee meeting and we're culling the board list and adding new members to improve diversity. You're still listed as a board member (I think we put you on before you took the COO job with Strickland). Since Strickland and Rallings are both members, are you cool with us using your board seat for someone else? Of course we always love to have you attend the meetings.
